24th November 2023

Dear Parent/Carer,

Many thanks for your support and interest during this challenging but very rewarding time for our pupils in Year 11.

As Year 11 enter the mock examination period, we aim to replicate the real examination process as much as possible. Examinations will be held formally in the main school hall to give pupils the experience of completing official examinations in preparation for next summer

Full mock examination timetables have been sent to all students, via their Hwb accounts, and can also be found at the bottom of this letter. Normal lessons will be undertaken when a student does not have an examination so relevant books should be brought to school. It is vital that students have the correct equipment and we support this by offering pencil cases with key items for £1. These can be purchased through Parentpay.

Results from these mock examinations will be shared with your child through a mock "results day" on Thursday 11 January 2023.

This process will provide valuable feedback to both students and staff on your child's performance and preparation for a formal examination series, enabling us to identify your child's strengths and any key areas for improvement. This is intended to be a supportive process and allows us time to remedy any skills deficits that are identified.

We look forward to continuing to work with you and your child to optimise their outcomes in the summer. If you have any further questions, please contact Mr A Smith, Wellbeing Leader for Year 11, via e-mail Andrew.Smith@KHS.Schoolsedu.org.uk

Yours sincerely,

J. Davies

Mrs J Davies
Assistant Headteacher - Upper Phase and Wellbeing
