Dydd Llun Gorffennaf 22ain

Dear Parents and Carers / Annwyl Rieni a gofalwyr,

Thank you

Thank you for your wonderful support this academic year. Thank you to the whole community for your positivity and kindness which has been so beneficial and valuable.

Our school couldn't do what we do, and the pupils couldn't achieve what they have, without the support of our parents and carers, and community more widely. We all need this partnership. We feel your support. Thank you for your encouragement, your time, and your energy.

Our pupils have achieved amazingly this academic year. Their love of learning, thirst for knowledge, and sense of adventure has resulted in excellent progress. We are very proud of them.

Effort is a key component in realising our school belief in the limitless capacity for everyone to achieve great things. The effort that our pupils display daily is phenomenal. I have had the honour of celebrating these efforts with the pupils in all our end of term assemblies.

Learning doesn't happen when things are easy. It happens when we respond to difficulty with determination and positivity. It requires embracing challenge, revelling in making mistakes, and having the courage to keep going. Our pupils do this consistently and fully deserve all the Bronze, Silver, Gold, and Platinum merits and awards they have achieved.

Our school is built on a set of positive shared values. Our pupils have embraced these and held them deep in their hearts. We are proud of their ambition, their curiosity, and their kindness. These values were fully on show during all our wonderful end of term events.

I thank my entire staff team for their dedication in providing wonderful opportunities for our pupils on a daily basis. Thank you for your patience and encouragement which helps our pupils reach new heights.

I conclude the academic year very pleased with how we have built on previous successes to drive our school further forward. We have a plan for the next stages of our development which I look forward to sharing with you in September.

Next April we move into our brand-new buildings and facilities. This will provide a great environment for our pupils to learn and grow. We have exciting times ahead.
