## Part A: Strategy Plan

### Statement of intent

Our vision is to provide excellent educational provision for all pupils. We believe that every child should have access to a great education, regardless of background, so that they have real choices in life. We believe that every lesson counts, every pupil matters, and that every pupil should feel valued as an individual. We do not believe that some pupils are bright and that others are not. We believe that anyone can learn anything, and the growth mindset underpins everything we do. We believe that what we become and what we achieve comes from great teaching, hard work, and fantastic support. We believe in the limitless capacity for everyone to achieve great things. We believe in the potential of all, including all disadvantaged and vulnerable learners. Starting points are irrelevant to what you can learn, they are starting points to be built upon. Disadvantaged learners tend to have lower starting points, but this is not a measure of their intelligence and most definitely not a reason why they cannot achieve in line with their peers. The most important actions a school can take is to support pupils who are historically lower attainers to reach a level where they can progress to the next stage of their education, career and life. We aim for everyone to achieve this so that all can have a rich, rewarding, and fulfilling life. Our mission and moral imperative is for the academic and wellbeing outcomes achieved by disadvantaged learners to match their more advantaged peers. In this sense, we will achieve our vision to change lives.

### Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome (Success criteria)	Measurement
Outcomes of disadvantaged pupils to match disadvantaged pupils	% of pupils 'on track' at termly Review Points.
All disadvantaged pupils experience high quality teaching which is focussed on next steps and eradicating misconceptions.	Termly lesson observations for all staff
All disadvantaged pupils to take a full part in trips/clubs/house events/opportunities and report a high sense of belonging to the school	Termly pupil surveys Pupil feedback at half-termly Pupil Leadership Group meetings.
All disadvantaged pupils to fully embrace our school values and display high quality behaviour for learning – disruption free lessons, class and school routines to create calm environment	Termly lesson observations Termly pupil, staff, and parent surveys Pupil feedback at half-termly Pupil Leadership Group meetings. ## Part B: Review of outcomes in the previous academic year

### PDG outcomes

This details the impact that our PDG activity had on pupils in the 2024 to 2025 financial year.

Activity	Impact
Nurture class with Teacher and Teaching Assistants	All pupils accessing the nurture class made at least expected progress in developing their personal nurture targets. All made at least expected progress in their literacy and Maths skills. All pupils experienced high-quality teaching which responded to their precise next steps. All Nurture pupils took a full part in school events.
Transition programme with primary schools – cross phase intervention to support disadvantaged pupils with transition	93 pupils supported in Year 6 (97 school visits made). 78 pupils enrolled in Moving On, Moving Up Transition programme. 100% pupils reported positive impacts, reduced anxiety, and increased confidence as a result of programme. 55 pupils took part in enhanced transition, 15 pupils had further bespoke transition support once they had joined Year 7.
Uniform support for identified pupils	Uniform support was provided for 110 disadvantaged pupils. All families that needed support were provided with this.
Wellbeing interventions for vulnerable learners by Wellbeing, Behaviour, Learning, Support Officers	147 pupils received mentoring (13 pupils had further bespoke mentoring). Nearly all achieved improved exit scores. Over 90% of pupils reported intervention was beneficial and helpful. Improved attendance and engagement in lessons for all targeted pupils.
ELSA provision	35 disadvantaged pupils supported. 50% of pupils achieved the exit criteria. All pupils are on course to achieve the exit criteria by the end of the programme (by end of academic year). 100% reported positive impact on wellbeing and mental health.
Smooth Start	Identified pupils took part in the Smooth Start programme. They met their personal SEMH targets which has increased their inclusion in school.
Attendance support for identified pupils – attendance mentoring by Family Liaison Officer	On average, the attendance of pupils supported by our Family Engagement officer, rose by 3% per pupil. The attendance of 21 pupils rose from below 80%, to above 80%.
Forest School	All Lower Phase and Specialist Resource Base eFSM and CLA pupils completed an outdoor learning programme.
