Friday 15th September 2023

Dear Parents and Carers,

I am writing to inform you that progress tests that will be taking place in school beginning on the 25th of September until the 6th October. All pupils in Year 7 will sit tests in English, Maths and Science and will be issued with a time table explaining when their tests are taking place.

These tests will inform planning and ensure that learning experiences are tailored to the needs of individual pupils. They also help enable the school to identify gaps in pupils' skills so that we can then implement a whole school approach to ensuring that skill gaps are addressed.

These are not assessments that your child can revise for. We do not want pupils to worry about them. However, we do want them to put in lots of effort so the results are most useful.

Tests will take place in the school hall under examination conditions and when the test is completed your child will return to normal lessons. These tests will be repeated at the end of year 7 to measure progress.

Yours sincerely,

Rhian Davies

Ms R Davies
Assistant Head Teacher: Assessment, Recording and Reporting
